Abstract art doesn't necessarily look like it does in real-life. Artists use shapes, colours and different marks

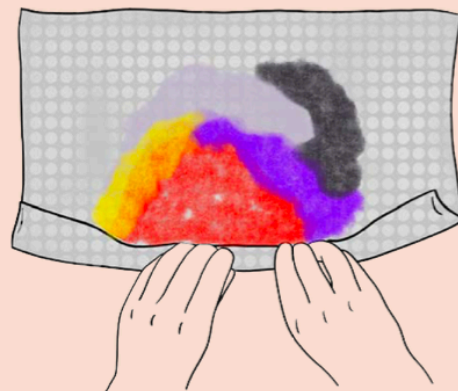

### Arranging artwork for display

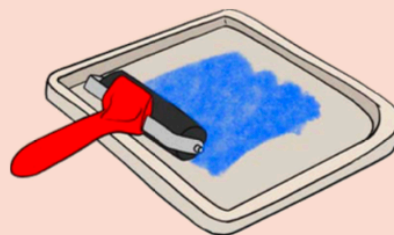

- Think about your audience
- Try out combinations of work
- Fix your work in position
- Add labels

Make felt by laying wool fibres in different directions, adding hot water then rolling and squeezing the felt.

### Using a roller for printing

- Not too much ink!
- Roll in different directions.
- Aim for a thin layer all over the roller.
- Listen for a sticky 'hissing' noise!
