

Year 4 - Craft and Design - Fabric of Nature - Term 3

Key Vocabulary

batik	A technique to create patterns on fabric.
colour palette	A range of colours grouped together to look nice.
craft	Something creative and useful.
design	A decorative pattern or drawing of what something might look like.
industry	Companies and activities that design and make products, sometimes in a factory.
pattern	A design in which shapes, colours or lines are repeated.
repeat	When the same thing occurs more than once.
theme	Similar ideas that work together as a group.

Mood board

A collection of images and colours showing a project theme.

Artists

Ruth Daniels

Senaka Senanayake

William Morris

Megan Carter

Glue batik

Step 1

Paint the design onto fabric with PVA glue. Then allow it to dry completely.

Step 2

Use acrylic paints to add colour and patterns. Cover the entire piece of fabric, painting over and around the dry glue. Allow to dry.

Step 3

Wash out the glue. As it dissolves it will feel slimy. Keep going until you can't feel any more glue. Lay your fabric flat to dry.

To know statements

I know how to understand starting points in a design process

I know how to explore techniques to develop imagery.

I know how to explore using a textile technique to develop patterns

I know how to learn how to create a repeating pattern

I know how to understand how art is made for different purposes

What can you remember from previous work?

Describe the characteristics of Egyptian art?
What materials did the Egyptians create to produce art and how did they make it?

Anything else you have learnt? What have you enjoyed?
