Welcome back to our new school year and what a sunny start too. The children have settled into their new classes really well and there is a real buzz around school. The children are liking having a little more freedom and not being restricted to their bubbles.

This week the whole school have been working on the book 'Maybe' by Kobi Yamada. The responses to this book have been phenomenal and really show just how amazing our pupils are. Maybe is a book about finding the endless potential in all of us.

Our new Nursery pupils and Reception class have settled in so well to our school family. Thank you for choosing St Aidan's to be the place where their learning journey starts. We look forward to the many happy memories that they will make here with us.

We are mindful that we are still living with the virus and so attached with this email are two documents for parents about school and COVID 19

**St Aidan's is shining brighter than ever !**
