HEARTSMART ETHOS	Learning to live well means learning to love well and learning to live loved. You can't love others until you love yourself and it's hard to love yourself until you know you're loved. HEARTSMART is about shifting our perspective from "no one loves me," to "I am loved and I can love me". From that place of self acceptance we explore how we can make a valuable contribution to others and the world around us. It's about filling up our heart with good things, with building up our inner strength with the steady truth that we are loved no matter what..
