HEARTSMART STATEMENT – <i>Learning to live well means learning to love well and learning to live loved. You can't love others until you love yourself and it's hard to love yourself until you know you're loved. HEARTSMART is about shifting our perspective from "no one loves me," to "I am loved and I can love me". From that place of self acceptance we explore how we can make a valuable contribution to others and the world around us. It's about filling up our heart with good things, with building up our inner strength with the steadying truth that we are loved, no matter what.</i>

Visits and visitors						

Dragon's Den -DT project - After SATs the children complete an enterprise project where they must set up a business selling a product or service to the rest of key stage 2. In order to do this they must carry out market research, costings, design, packaging and marketing. This culminates in the children selling their products to years 3, 4 and 5. The winning group is the one that makes the most profit.
