

# Sizzling Summer of Sport Starts

Our summer of sport commenced in style with the Y5/6 Quicksticks Hockey tournament. Seven schools were ready to do battle for the two Merseyside School Games Finals spots later in the term. Despite some rejigging of fixtures, a broken hockey stick and the scorching June sun, nothing could take anything away from the performances of the schools. A round robin tournament was used to decide the winners. After a number of high quality games, the group stages came to a close. All of the pupils eagerly sat down awaiting the results. Having not lost a game, and having only conceding one goal throughout the entire tournament, it was St Aidan's who took the title! Joining them and taking the final Merseyside School Games Finals spot was St Julies, who were also voted the Fair Play Recipients by our great leaders from De La Salle. A further congratulations goes to Harvey from St Aidan's who was awarded the Star Performer for his dominant display in both attack and defence. A big well done to everyone that took part we hope that you enjoyed the morning.
