

# Y6 Cricket

What better way to celebrate the end of your SATs than a day of cricket in the blazing sun! Our Year 6s had a great day at the Kwik Cricket tournament with 13 schools taking part. The teams were split into their groups where they all played each other with the winners of each group and the best overall runner up progressing through to the semi final stages. After the group stages were complete it was Legh Vale who would go onto to play the best runner up Oakdene and Rainford Brook Lodge who would play Corpus Christi in the semi finals. Even though this meant the end of the competitive action for a number of schools, they still took the opportunity to stay and play friendlies amongst themselves or to stay and cheer on the semi finalists. Both games were high quality affairs but it was Legh Vale who managed to take their place in the final alongside Corpus Christi meaning both Rainford Brook Lodge and Oakdene went on to play off for the bronze medals. After disappointment in missing out on a final spot, both Oakdene and Rainford Brook Lodge gave it their all but unfortunately there could only be one winner with Rainford Brook Lodge just managing to edge out a resilient Oakdene to claim the bronze medals. Onto the final and what a final it was! After both dominating their group stages the final game came down to one run! It was Legh Vale who were the winning team making them our champions despite a brilliant effort from Corpus Christi. A massive well done to you all on a great day of cricket and a special mention to our Fair Play Recipients Rainhill St Ann's on their well deserved award and our great leaders from De La Salle.
