

Nursery to Year 6
21st September 2016

Dear Parents/Carers,

We realise that encouraging your child to come to school on their birthday can be challenging! We are therefore introducing a new initiative. When it is your child's birthday they will be allowed to come into school in non school uniform. We hope this will cheer them up and actually make them quite excited about being in our school on their birthday. However, it also means that our whole school community will be able to celebrate their birthday as children will be encouraged to say happy birthday to someone in non school uniform.

We will begin this new idea from Monday the 26th of September. If your child had their birthday in the Summer Holidays or it has been their birthday since we have come back they are welcome to wear non school uniform on Monday the 26th of September.

Over the course of a year if your child's birthday is during a weekend or a holiday they may wear non school uniform the day we return to school, usually a Monday.

Thank you for your ongoing support,

Melanie Ravenscroft
