

Preposition Poetry

I can modify a sentence with a preposition phrase.

Underline the prepositions in the poem.

May

Under the blue sky
Near the ancient wood
Beside the trickling stream
On the grassy bank
Under a bright umbrella
In the month of May

Superman

Within the city
In a phone booth
Into his clothes
Like a bird in the sky
Through the walls
Until the criminals
Among us are defeated!

The Dream

Despite an entire season on the bench
On a Saturday afternoon
During the cup final
Amid screams and gasps
Beneath stares of astonishment
Down the green pitch
Over the half-way line
Around defenders
Between midfielders and strikers
By dribbling, feinting, and kicking
Through the goalkeeper's outstretched hands
Towards the empty net
Into the wrong goal.
Beyond my wildest hopes and dream.
