

Daily Reading: History Hackers: Roman Rescue 3

Aim: I can infer and retrieve information from a text.

This activity sheet relates to the **Daily Reading video** for Roman Rescue Chapter 3.

Chapter 3

During the Video

Watch the video, where you will hear Chapter 3 being read to you. There will be some questions to answer during this video. You may choose to write your answers to these questions here. If you decide to do this, pause the video to give yourself time to write.

1. How is Tilda feeling on page 18? Use evidence from the text to say why you think this.
2. The musket appears to be a genuine musket. What information in the text helps you to infer that it is real, rather than a fake weapon? (p.18)
3. What had Tilda expected to see on the map? (p.22)
4. Name three historical sites in York that were found on the map. (p.22)

After the Video

Answer these questions after watching the video. Look carefully in the eBook for the answers and use what you have learned in the first section.

5. Why has the secret room been described as a 'treasure chamber'? (p.17)

6. How was the journal different to all the others so that it stood out 'like a rose in a bed of dandelions'? (p.19)

7. Look for the sentence that starts, 'Charlie sniggered...' What does the word 'sniggered' tell us about Charlie? (p.20)

8. What do you think will happen in the next chapter? Give reasons for your opinion.
