

The Very Naughty Leprechaun

Niall was a very naughty leprechaun. He lived by himself in the woods and loved playing tricks on all the animals.

It was Niall's birthday and it was going to be the best birthday ever. He was looking forward to his birthday cake but first he wanted to play his favourite trick on the animals.

Niall made himself invisible and waited in the bushes.

Before long, Rosa Rabbit, Barry Badger and Hannah Hen came hopping along with bags of food.

"It's my birthday!" Niall shouted, when they were very close.

"Aaahhh!" the animals screamed. Rosa's carrots went flying in the air. Barry's flour went flying in the air. Hannah's eggs went flying in the air.

Then, all the food landed on their heads!!

CLUMP! SMASH! FLUMP!

"You naughty leprechaun!" the animals shouted and they ran away angrily.

After Niall had stopped laughing, he walked back to his house. When he got there, the animals were waiting for him. Rosa had a big bruise on her head, Barry was white and Hannah had eggs dripping from her beak.

"Hello," Niall giggled.

"We made you a birthday carrot cake," Barry said.

"You remembered my birthday?" Niall squealed.

"Yes," Hannah clucked. She gave Niall the cake.

Niall looked down. Instead of the cake, it was a plate full of bashed carrots, smashed eggshells and powdery flour.

"A naughty leprechaun ruined all our ingredients," Rosa said. "Happy birthday."

"Oh," Niall said, sadly. "Thank you."

It was the worst birthday ever...
